Wine

The Crown and San Marzano have teamed up to bring some of their amazing wines to Shillington. Look out for our recommendations from San Marzano in our wine list.

In 1962, 19 vine growers from **San Marzano** whose families had farmed the land for generations, combined their efforts to establish 'Cantine San Marzano'.

Through the decades this cooperative has grown significantly, attracting over 1,200 vine growers. Using modern and technologically advanced vinification techniques they produce elegant wines that pay homage to the ancient Apulian wine traditions.

The fusion of time honoured tradition, passion and contemporary techniques, enables this winery to produce wines with distinctive varietal and regional characteristics while reflecting the local terroir.

In the Sommelier Wine Awards, **San Marzano** was awarded European Producer of the Year 2017.
